

RODOLPHE POON

SENIOR FULL STACK DEVELOPER

+ 33 6 74 47 51 64 | Paris, France | poon.rodolphe@hotmail.fr

Senior full stack developer with 5 years + in web technologies like, ReactJS, Redux or ExpressJS. I'm open to new opportunities in the financial sector or web3 (blockchain, deFi, NFT). I easily integrate in a variety of work cultures, in both large companies and start-ups. I maintain a constant focus on the end-user experience.
